

APPRENTICESHIP

Digital Skills for Business (Digital Application Support Pathway)

Level 2

2

1

Apprenticeship Framework

As organisations in Wales undertake digital transformation of many processes, the digital skills needed to engage with these are becoming essential across many job roles. The digital skills for business apprenticeships provide a route to develop and embed digital skills through on-the-job vocational learning to measurably improve individual and organisational digital capabilities.

The programme prepares learners for roles including those:

- Working in organisations across all industry sectors, acting as the 'expert' in Application Software, devising solutions and providing help and support to colleagues
- Working in IT helpdesks with specific responsibility for end user Application Support
- In smaller businesses without an on-site IT function, taking responsibility for setting up systems, users and day-to-day troubleshooting.
- Responsible for working with third party IT service providers.

Who is this apprenticeship for?

The Digital Application Support pathway will give candidates the skills and knowledge to take on the role of 'subject matter expert' for Digital skills within their workplace. Candidates will learn how to trouble shoot and solve problems using a range of different application software packages, as appropriate to the business context in which they are working.

On completion of this apprenticeship you will achieve the following:

- Agored Cymru Level 2 Diploma in Digital Application Support
- Essential Skills Wales Level 1 in Communication
- Essential Skills Wales Level 1 in Application of Number

Benefits of the apprenticeship programme

Accelerate Your Career Growth: With the Level 2 Digital Skills for Business – Digital Application Support apprenticeship, you will gain the essential information technology skills and hands on experience to kickstart your developing career across a broad range of industrial sectors.

Industry-Recognised Certification: Upon successful completion of this programme, you'll earn an industry-recognised certification, providing you with a competitive edge in the job market. Employers value the skills and expertise gained through this apprenticeship, opening doors to exciting opportunities.

Practical and Real-World Learning: Our programme emphasises practical, real-world learning. You will practice skills in the workplace collaborating with experienced colleagues and supported by ALS professionals who will guide you through every step of the process.

Tailored Curriculum: Our comprehensive curriculum is designed to meet the information technology demands of organisations across the Welsh economy and wider. You'll cover essential topics such as IT security, preparing documents and publications, processing data, sharing digital information and administration of information technology projects.

Experienced and Knowledgeable Advisors: Throughout your apprenticeship, you'll have access to a network of experienced advisors who will provide guidance, coaching, support, and feedback.

Course Delivery

- Typical duration of 18 months.
- Induction session for apprentices and for their line managers.
- One to One tutor coaching and assessment support sessions.
- Supported by self-study online resources.
- 4 Essential skills assessment days. (2 Preparation days and 2 Live Task days) **
- 2 hour long essential skills confirmatory tests. **

***Essential Skills activities are not applicable to apprentices with exemptions.*

Level 2 in Digital Application Support

Course Delivery

This programme will primarily be delivered through 1-to-1 sessions with a member of the ALS delivery team, using a mixture of face-to-face and remote learning sessions. An ALS assessor will meet with the learner, either in the workplace or through digital means (for example, Microsoft Teams) once a month for approximately two hours to support progress.

Learners will also be set tasks to complete between each visit which are tailored to the different needs of each learner and the workplace activities they are involved with.

Qualification Summary Structure

The Level 2 Diploma in Digital Application Support consists of 5 mandatory units, with a total of 26 credits plus a minimum of 38 optional credits.

Please note: at least 63 credits must be at Level 3 or above.

Unit rules of combination.

- Mandatory Units (Learners must achieve all 5 units) – 26 credits.
- Optional units – minimum 38 credits.
- The same unit may not be selected at Level 2 and Level 3 (e.g. Specialist Software Level 2 and Specialist Software Level 3)

	3	6

Have any questions about our Level 2 Diploma in Digital Application Support?

We are here to help. If you have any further questions or enquiries about the main qualification element of the programme, please contact at info@alstraining.org.uk

Essential Skills Qualifications

When you agree to undertake an apprenticeship, you may be required to complete Essential Skills as part of your Apprenticeship framework.

Essential Skills Wales

The Essential Skills Wales (ESW) will be initially assessed via an online Wales Essential Skills Toolkit (WEST) Assessment. Where a Learner already holds an ESW certificate or equivalent qualification this can provide an exemption and learners will not need to complete that ESW element of the programme. Where a Learner is not exempt an Individual Learning Plan (ILP) will be generated from the initial assessment. The modules delivery will include independent learning via WEST, prior to guided learning sessions preparing the Learner for their assessment. ESWs are assessed via controlled tasks and confirmatory tests for Communication and Number, Digital Literacy is assessed via a controlled task and structured discussion.

Exemptions

If you already hold qualifications, these may be used as 'exemptions' towards your apprenticeship framework. As a result, you will be exempt from achieving that particular Essential Skill, if you wish. This will be discussed with you before you sign up with us and will also be followed up by your assessor before and during your first visit from us.
